Dear Lil & Hal,

Goodbye until you'll hear from me from the Holy Land. I'll be away until the middle of May.

Stay well and out of trouble during my sojourn in Israel.

I will pave the Jerusalem post for you,

Hal, if Though I have not

responded to the educational letters you have sent me I've enjoyed them greatly and shared them with my son Stephen and his wife (Esq) They marvel how a man your age has the mental and physical stamina to produce such an amount of scholarly letters. They (and I) hope you don't burn out, why not reduce the fire power for only specific targets. Enclosed column supports your outcry on JFK file.

Shalom. Love Joe Lubinsky
